Bradford National Bank COVID-19 Update

Bradford National Bank continues to closely monitor the coronavirus/COVID-19 situation in the communities we serve, as it is our goal to offer customers and staff a safe environment to work and transact business. We continue to monitor the CDC website and are adhering to their recommendations for the safety of our community and staff.

Effective Wednesday, March 18, 2020, Bradford National Bank will limit access to the lobby of our facilities in Greenville, Highland and Marine.

Normal, over the counter transactions will be drive-thru access only. Lobby access will be granted to those who need to open a new account, manage a certificate of deposit, access their safe deposit box, or sign documents related to a loan.

If you need access to the lobby or need other assistance, please call one of the following:

- Greenville: 618-664-2200
- Greenville Branch: 618-664-2206

We encourage customers of Bradford National Bank to take advantage of online banking, mobile banking, mobile deposit, bill pay, and telephone banking. All are offered to our customers at no charge. Additionally, our five ATMs are available and are wiped down several times each day.

We apologize for this inconvenience. Thank you all in advance for your diligence in keeping Bradford National Bank and the communities that we serve a safe place by following additional safety measures during this time.
