BLACK FRIDAY SAFETY TIPS

It's a sad fact, most financial fraud and theft occurs during the holiday season. Here are some tips to make sure you are not a victim.

- Shop local when possible. Smaller, home-town shops are much safer than malls or big city retail areas.
- Leave your valuables at home. Secure your purse, bag, wallet, and cell phone.
- Have a shopping plan ahead of time and leave the young children with a babysitter.
- If you shop online, only use reputable sites that you visit, not links that you have to click on.
- Never shop alone and always park in well-lit areas. Don't be distracted walking to and from your car. Have your car keys ready.
- Limit the number of bags you carry in the stores and have a way to secure and hide your packages in your car.
- Monitor your bank and credit card statements daily. Report any fraud ASAP.
