### Beware of Gift Card Scams!

Gift Card Scams are running rampant this holiday season. Reminder: If anyone asks you to purchase and/or pay for anything using a gift card, it is always a scam. Always. The bad guys will contact you via phone, text, or email and try to sell or fix something for you. For payment, they will ask you to purchase gift cards (sometimes in the thousands of dollars) and then ask you to scratch off and share with them the activation code on the card.

It's also a good reminder to check your bank statement online frequently during the holiday season
