

NOBODY DOES LOCAL BETTER

BRADFORD AWARDED

BNB Receives Partners in Progress Award from the Centralia Chamber of Commerce. Chamber Director Marcus Holland said after they acquired CTB, *"They immediately and actively started working with businesses and supporting organizations and entrepreneurs and have facilitated several new business openings in our community."*

During his comments, president Michael Ennen said, *"At Bradford National Bank, we believe community banking is more than checks and loans. It's being present. It's giving back. It's building relationships that last. Our staff lives that every day - working at events, supporting fundraisers, helping youth programs, and partnering with local organizations, city hall, and of course, the Chamber."*
