BRADFORD NATIONAL BANK PRESENTS

Art in Education ART Show

20TH ANNIVERSARY 

THURSDAY, APRIL 30TH & FRIDAY, MAY 1ST

6:00PM - 8:00PM at the Bradford Community Building

Greenville, IL Bradford National Bank is excited to present the 20th Annual Art in Education Art Show, shining a spotlight on outstanding student artistry and imagination. Mark your calendars for Thursday, April 30, and Friday, May 1, with festivities running from 6:00 to 8:00 p.m. each night at the Bradford Community Building, conveniently situated beside Bradford National Bank in Greenville.

This year's event will display creative works from students attending Greenville Elementary, Junior High, and High School, along with entries from Pocahontas and Mulberry Grove Schools. The Bradford Community Building will be transformed into a lively and colorful gallery, filled wall-to-wall with student masterpieces representing diverse artistic styles and perspectives from across the area.

To mark this milestone 20th anniversary, the show will introduce food vendors and trucks for guests to enjoy, with additional special touches planned throughout both evenings.

Enhancing the event's atmosphere, students from Greenville Elementary School will take the stage with live performances, coordinated by Kim Lugge. Nearly 50 different acts are set to entertain guests over the two evenings, providing vibrant musical and theatrical energy to complement the gallery exhibits.

"Twenty years ago, we started with a simple vision, and today the Art in Education Art Show stands as a cherished tradition in our community," commented Randy Alderman, Vice President of Community Relations at Bradford National Bank. "This annual gathering is a celebration of our students' talents and the important role that the arts play in their education. As your community bank, we are committed to supporting education, the arts, and local athletics. We invite everyone to join us in honoring this remarkable showcase and to enjoy the creative spirit of our young artists."
